

What is Project Grad?

Project Grad is an all-night party for Montgomery seniors on the night of graduation. For the students it is a wonderful chance for the graduating class to come together one last time to celebrate. For the parents and families, it is a way to ensure that our grads will come home safe and sound.

There is so much for the students to do at Project Grad. There's food provided by local restaurants and Starbucks serving refreshing drinks. Entertainment and services includes a caricaturist, chair massages, a beauty salon, a fortune teller, Flip Books, temporary tattoos, a balloon artist, magician, a photo booth, a carnival, a casino, giant inflatables, a game room, exotic animals, a DJ and our super popular hypnosis show. There is also a huge prize table with hundreds of giveaways, including bikes, camping/fishing gear, dorm room essentials, gift cards and the latest tech gadgets!

In 2019 Montgomery Project Grad celebrated our 31st year of seeing our seniors safely through the night. That is ZERO fatalities in 31 years!

Project Grad is a huge event. It requires hundreds of volunteers and \$25,000 in donations and fundraising. It is made possible because our whole Monty community comes together, with families from every grade level helping. Please help us ensure that your student has the opportunity to enjoy Project Grad by getting involved now. We do not need you to do a lot, but we need a lot of people to do a little. It is so much fun and one of the most rewarding volunteer experiences you will have in your child's school years.

Let's come together as a community to celebrate our graduating seniors and keep them safe. Project Grad works. Let's keep it going!
